Final Questions

For our program(s) to best serve your community, we expect the following:

- Send one to two educators/clergy/group leaders from your institution to attend an online OR in-person training where you will devote time to learning how to successfully implement your program(s).
 - All educators/clergy/group leaders involved in implementation should attend training.
- Ensure that implementing educators/clergy/group leaders and participants complete evaluations.

- Most sessions include educator evaluation links and teen evaluation instructions.
- Participate in a mid-year check in.
- Complete an end-of-year evaluation.

Partners are then asked to agree with the above expectations.
